# Education

**Bachelor of Computer Science at International Black Sea University, Georgia, Tbilisi**

SEPTEMBER 2019 — MAY 2023

- I graduated with high honors from the faculty of 'BA in Computer Science.'
- During my academic journey, I consistently demonstrated a strong commitment to excellence, achieving outstanding results in both coursework and projects, which further fueled my passion for the field of computer science.
- I presented my Bachelor's thesis project on the subject of "Modern Web Technologies and Online Shops" and earned a perfect score of 50 out of 50.

# Internships

**Intern Full Stack Web Developer at More LLC, Georgia, Tbilisi**

SEPTEMBER 2022 — FEBRUARY 2023

- Used technologies: **Django**, **Bootstrap**, **HTML5/CSS3** & **Templates**
- Designed and build an Online Food Ordering System based on a small restaurant.
- Automate the accountant role.
- Developed a full-fledged working implementation beneficial for the small shops
- Addressed and fixed complex bugs.
- Implemented and updated application modules under the direction of a Senior Software Developer.
- Worked at an independent level, while also serving as an effective and enthusiastic collaborator.
- Deployed the project in **AWS ES2 Instance.**
